- "Monkey Trial Begins." *History.com*, A+E Network, 2009, www.history.com/this-day-in-history/monkey-trial-begins. Accessed 6 Dec. 2017. This website is about the Monkey Trial in Dayton, Tennessee during 1925. It discusses the conflict of fundamentalism vs. evolution, who fought for each side, and the results of the trial. This website was helpful in providing a clear description of the topic and its lasting impact on the laws in our country. It was different from other sources because it spoke specifically about the trial rather than just the 1920's in general.
- "The Roaring Twenties." *History.com*, A+E Networks, 2010, www.history.com/topics/roaring-twenties. Accessed 6 Dec. 2017. This article provides an overview of the 1920's. It described the changes in society including the rise of mass culture, prohibition, and the coming of the jazz age. With this information, it also explains why these advances created tension between traditional and modern cultural views. This source was helpful as it provided reasons for cultural clashing, answering questions about the reasons for the 1920's culture war. It was different than other sources because it provided a general view of the decade rather than just one specific event.
