

COLLEGE COURSE

Seniors who qualify may elect to satisfy their Capstone requirement by successfully completing a college level course at an accredited institution of higher learning. Courses must be at least 3 credit hours and be in a core subject (social sciences, mathematics, English, science). Courses outside these areas require approval. Online courses are acceptable. All obligations, including but not limited to locating appropriate opportunities, applications, application fees, tuition and other fees, books, transportation, etc., are the responsibility of the student.

- · College Course Proposal: delineates student's interest in participating in the Senior College experience, intended area of study, institution, how student has understood and met any prerequisites, and evidence of the personal responsibility required for such an undertaking.
- · Maintain a minimum 85% overall GPA for all high school coursework.
- · Have not failed nor be in danger of failing any senior year course.
- · Maintain above average records of discipline and attendance.
- · Candidacy review by Oxford staff.
- · Score of 'C-' or better in attempted college course: official transcript required.

*The Senior Capstone Committee will approve each proposal.

*You must be in regular contact with your faculty mentor during the course.

*All College Course students must complete online reflection writing, a written response to a prompt asking about various aspects of their experience.

*All students must present their experience at the end of year Capstone Fair.

In order to participate in this program, it is your responsibility to meet eligibility requirements and you *must* submit your College Course proposal by December 1 in addition to successfully enrolling in the course. If you do not attend the course, you will not graduate. Remember, the Senior Project is available to all students and is the default option.
