

Oxford High School

Dear Students:

You are now able to apply for a parking space.

In order to receive your parking space and parking tag, you will need to visit the office to pay a parking fee. Every student must complete the attached parking application and provide the registration information and proof of insurance card. Applicants will be granted a parking privilege providing availability and in the order they are received.

A parking permit is \$100 (non-refundable), pro-rated throughout the school year. Your parking tag must be returned in June or a \$5 fee will be due.

Please review the following:

1. Please read the "Statement of Responsibilities" carefully and initial next to each statement. You are obligated to know the rules and regulations involving parking.
Violation of these rules will result in forfeiture of your parking space and fee paid.
2. Once you have read and understand the regulations bring to the main office the signed application along with:
 - A copy of your driver's license.
 - A copy of the registration of the family owned car you will be parking on campus. Please make sure that the copy of your registration shows ownership by your family.
 - A copy of the proof of insurance card.
3. Include the \$100 fee. Checks can be made payable to OHS.

4. Make sure the application is filled out completely and legibly. If we cannot read your application or if it is incomplete, you will not be assigned a parking space.

5. Please be aware of the driving restrictions for 16 and 17 year old drivers. In particular, **during the first six months the newly licensed driver may not have any passengers in the vehicle except for:**

- A licensed driving instructor giving instruction OR
- His or her parents or legal guardian, at least one of whom holds a valid driver's license OR
- One person who is providing instruction and is at least 20 years old, has held a driver's license for four or more consecutive years and whose license has not been suspended during the four years prior to training.

During the second six months (seven through twelve) the only additional passengers allowed in the vehicle are members of the driver's immediate family.

6. Parking privileges may be revoked without refund of fee due to violation of the student code of conduct, on campus traffic violation or tardiness to school.

Completed applications will be numbered as they are received. Parking fee will be pro-rated by \$10/month throughout the school year. No refund will be granted for students who lose their parking privilege at any time during the school year.
